@WOLVUSTECH

# 05 LET'S ENHANCE

## Upscale images without losing quality... up to 16x

Obtain high resolution with fully automated processing. Photo improvement has never been so easy.

### Proprietary face reconstruction AI

Faces are an extremely important part of any image, which is hard to recreate. We trained our neural networks on thousands of images to teach the AI to automatically recognize small faces and offer you better and more accurate face reconstruction.

For printing

For e-commerce

For real-estate

letsenhance.io

Machine learning software to enlarge images with no quality loss, enhance colors and photo resolution, automatically retouch product photos.
